SADVIKA LADDIGAM

Madanapalle -517325, Andhra Pradesh, India

laddigamsadvika@gmail.com — +91 9908065396 — LinkedIn — Github

OBJECTIVE

Aspiring Python Full Stack Developer with knowledge of Django, React.js, and database management, seeking an entry-level opportunity to develop efficient, scalable web applications and contribute to innovative software solutions.

TECHNICAL SKILLS

Programming Languages	Python, JavaScript , SQL
Core Computer Science	Data Structures & Algorithms, OOP, DBMS, Operating Systems , Computer Networks
Frontend & Backend Tools	React.js, HTML5, CSS3, Tailwind CSS , Django , REST API Integration
Tools & Platforms	Git, GitHub, VS Code , Postman
Soft Skills	Communication, Teamwork, Problem-Solving, Adaptability

EDUCATION

Master of Computer Applications (MCA) 2024 – 2026
Madanapalle Institute of Technology and Science (MITS), Madanapalle
First Year CGPA: 8.32

Bachelor of Science (B.Sc – MPCS) 2020 – 2023
Shri Gnanambica Degree College , Madanapalle
CGPA : 8.00

EXPERIENCE

Data Science Intern – Aspire March 2023 – June 2023
Completed a 6-months hands-on data science internship focused on Python, data cleaning, EDA, and building mini predictive models. Created meaningful visualizations and collaborated with the team to solve real-world data problems.

PROJECT

Smart Object Counting System using Image & Video Analysis :Developed an AI-based object detection and counting system using Python and OpenCV that analyzes images and real-time video streams. Implemented computer vision techniques to detect, track, and count objects accurately. Improved counting efficiency using frame-by-frame analysis and optimized model performance for real-time processing.
Technologies: Python, OpenCV, NumPy, Machine Learning, YOLO

Smart Health and Life Style Recommendation System: Built with Python, Machine Learning, Flask that gives personalized suggestions based on user inputs. Performed data preprocessing and applied basic ML techniques to generate recommendations. Created a clean Flask interface to collect user data and display results smoothly.

ACHIEVEMENTS & CERTIFICATIONS

Achieved I2OR Young Innovator Mindset Certification – Janauary 2026

Networking Basics Certification -Certified by Edcreate Technologies Private Limited

NPTEL Online Certification – Management Information Systems (MIS) – Certified by IIT NPTEL

Certification in 'Swiggy Instamart Data Analysis Using Python' Masterclass
